

Gluten-Friendly Dinner Menu

Hi there & welcome to Paladar. We know it can be difficult to tell what has gluten and what doesn't by glancing at a menu. So, we created this gluten-friendly version to make things a bit easier for you.

If you're very sensitive to gluten, the note below applies to you.

There are a handful of gluten-friendly items that have ingredients that are prepared in a fryer that is also used for food containing gluten. This includes our Housemade Chip Blend and Sweet Plantains.

Please let a member of our team know about your allergy so we can do all we can to accommodate you.
